A YEAR
of LIFE
& MEMORIES

Soccer boys are still having fun and showin' their wild side!

Members of the 1989 Varsity Soccer Team

Senior members of the 2005 Varsity Soccer Team

longer hair on guys... band t-shirts... It's all back!

The more things change...

Students have been passing through the doors of Proctor Jr.-Sr. High school since the fall of 1953. Trends come and go and the faces change, but many things are still the same. Take a look around.... the hallways and the classrooms haven't changed much!

2006

1953

"I'm goin' up the country, baby, don't you want to go?"

Canned Heat

Some of us are still listening to the same music.

the more they stay the same.

Generations may change but some of the same families are still walking through our halls. Did you know that half of our senior class had at least one parent go to school here when they were in high school? See if you can guess who is connected to who!! One of our seniors even had TWO parents. Guess who?!?!

Answers: 1. Tim Blow, Class of '82 - Derek Blow's father. 2. Hurley Cavacas, Class of '80 - Nicole Cavacas' father. 3. Michelle Wood, Class of '77 - Nate Dion's mother. 4. Chris Perkins, Class of '80 - Brad Gordon's step father. 5. Deborah Buskey Litts, Class of '76 - Emmy Litts' step mother. 6. Burt McCullough Jr., Class of '76 - Stacey McCullough's father. 7. Debbie Skelton, Class of '77 - Gary Peck's mother. 8. Muel Pato - Matt Pato's mother. 9. Laura Holland Thompson, Class of '78 - Alex Thompson's mother. 10. Sue Ellen Marceau, Class of '83 - Kyle Thornton's mother. 11. Jason Thornton, Class of '81 - Kyle Thornton's father. 12. Linda Shortleeve - Nancy Pladick's mom.

"How does it feel to be on your own, with no direction home, like a complete unknown, like a rolling stone?"

Bob Dylan

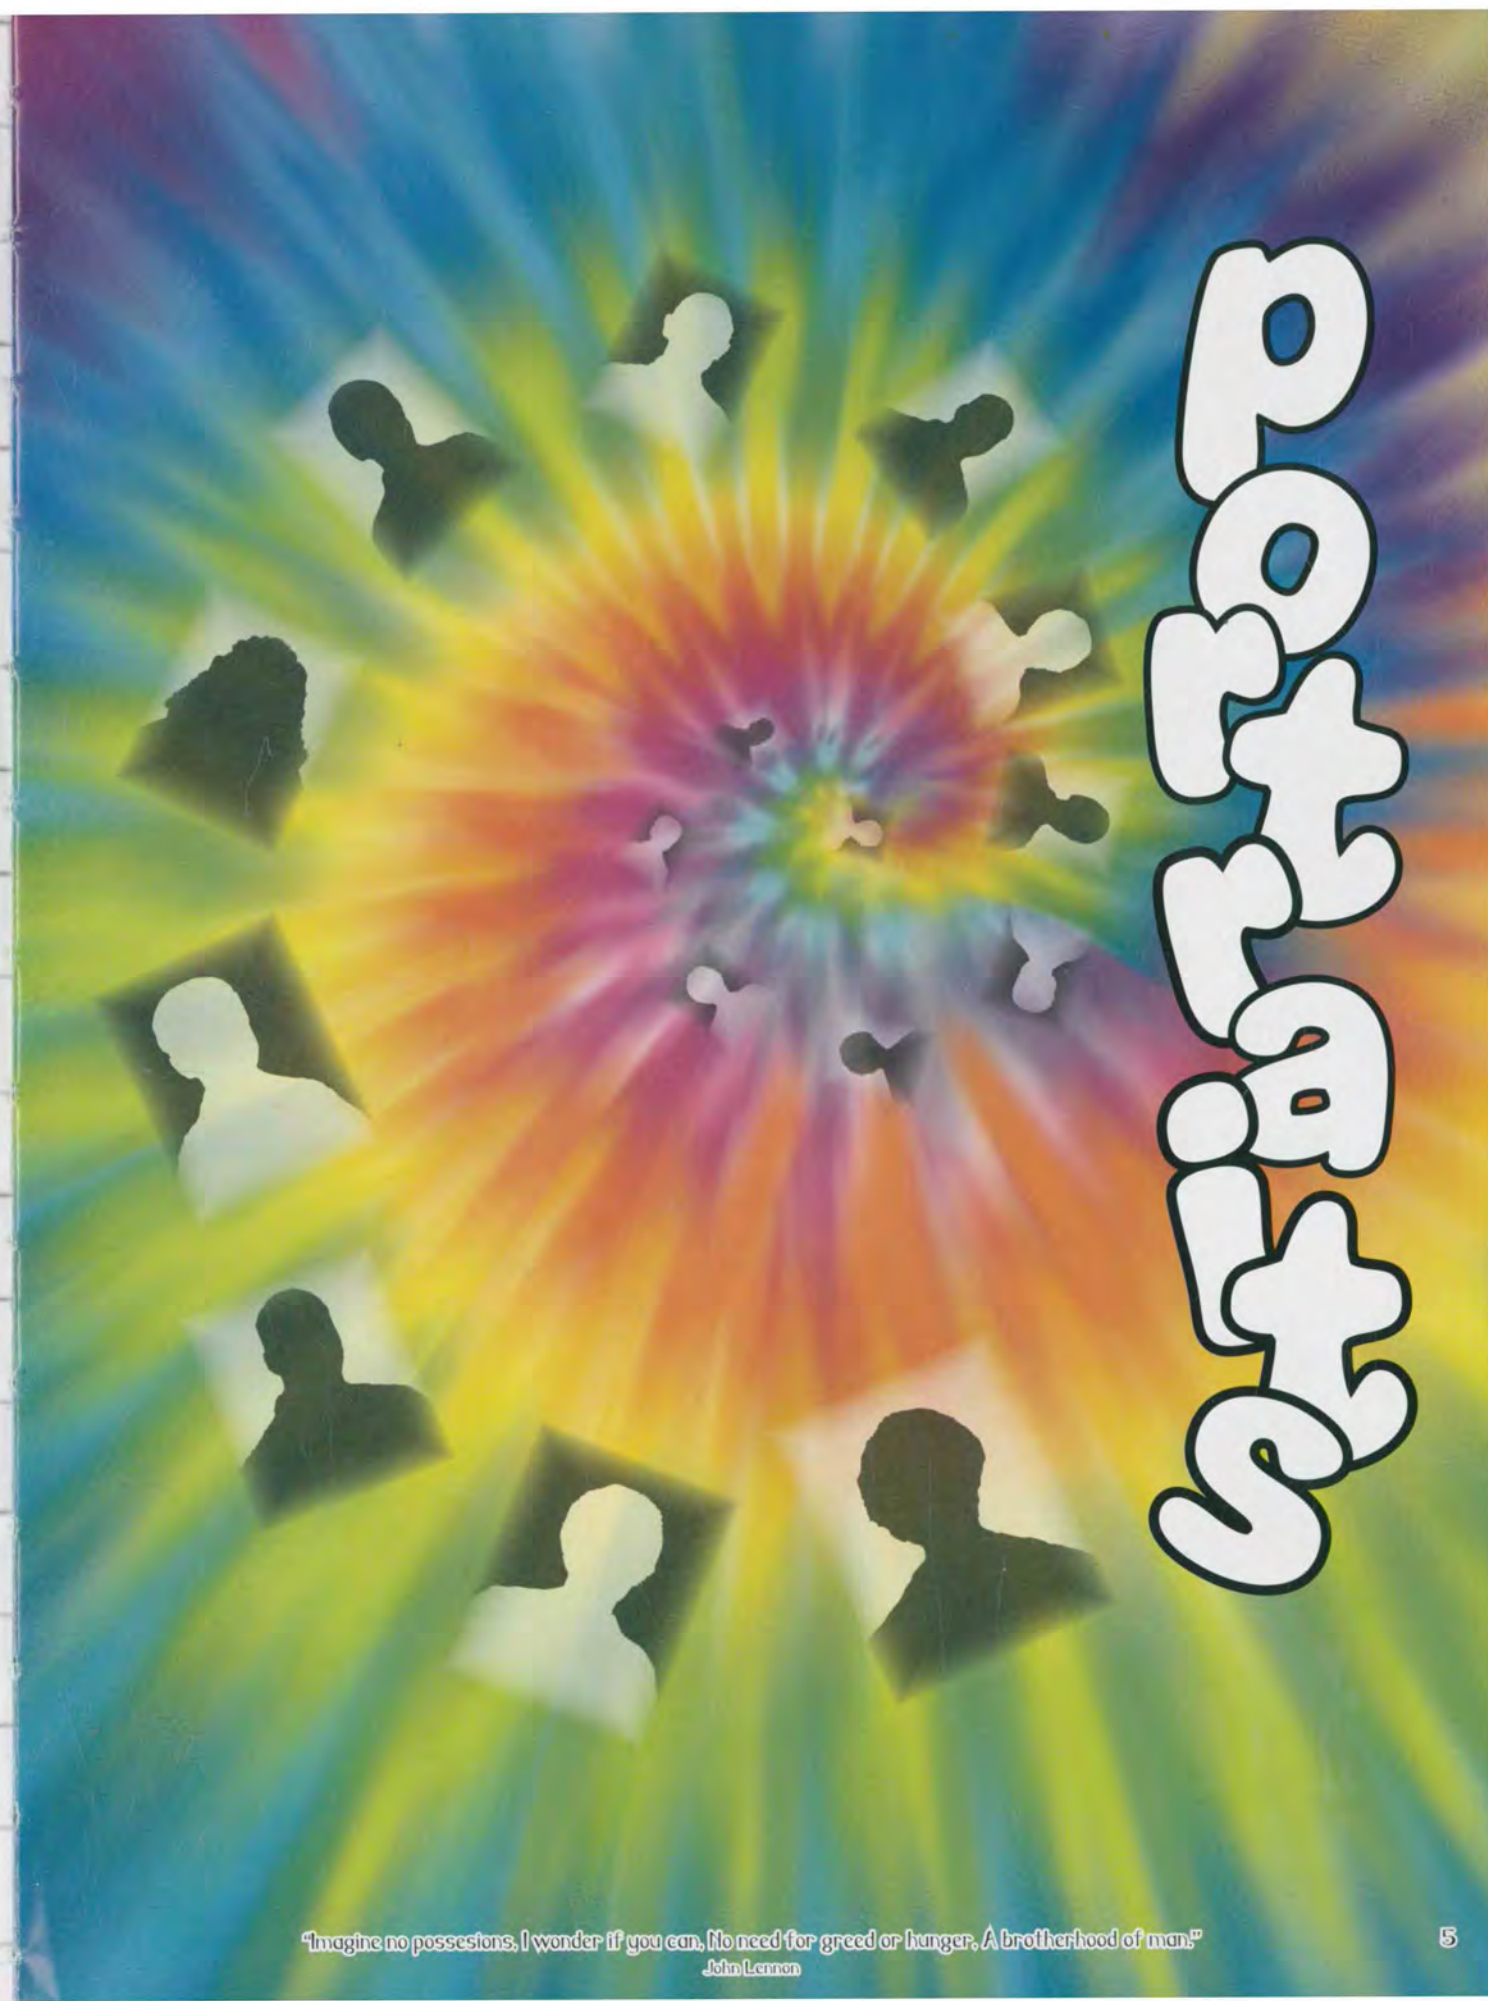

The Graduating Class of 2006 is pleased to dedicate this year's Proctorian to: **Maureen "Frau" Burke**

Despite juggling several English classes, managing the school's entire German program and conducting the annual review course for the dreaded SAT, "Frau" Burke always finds time to personally help each of her students. Sporting the latest fashions, Frau is a fun-loving, student-oriented, caring and dedicated teacher with a style all her own. She connects with her students by sharing the latest gossip on all the hot new TV shows and is loved by all. Although Frau seems to spend ninety percent of the school day either in search of her elusive glasses or on the phone with another well known Proctor teacher, she always finds time to converse with her students when she's not in the middle of a lesson.

Thanks to Frau, the school's German program has gained a huge following of devoted students. German class is arguably one of the most popular classes in the school and if you haven't taken German with Frau, you haven't had the "Frau Experience." Proctor's participation in the German American Partnership Program marks Frau's biggest gift to PHS. Every other year she takes a group of students on a 3-week trek to Weimar, Germany.

Don't let her sarcastically crabby manner fool you however; she loves Proctor and all of her students. Frau has undoubtedly influenced all of those who've been lucky enough to have her as a teacher and the shrine of students' senior pictures on her board is a testament to her legacy. It is with great pride that the Class of 2006 and all of Proctor High School dedicate this year's yearbook to you Frau! Thank you for all the unforgettable memories, **WE LOVE YOU!**

When a trout rising to a fly gets hooked on a line and finds himself unable to swim about freely, he begins with a fight which results in struggles and splashes and sometimes an escape. Often, of course, the situation is too tough for him.

In the same way the human being struggles with his environment and with the hooks that catch him. Sometimes he masters his difficulties; sometimes they are too much for him. His struggles

are all that the world sees and it naturally misunderstands them. It is hard for a free fish to understand what is happening to a hooked one.

Membership in the Redfield Proctor Chapter of the National Honor Society is the highest honor the faculty can bestow upon students in grades 11 and 12. In order to be eligible for consideration, a student must demonstrate excellence in scholarship, leadership, service, and character. The group completes both individual and group service projects throughout the year including reading to elementary school students on Dr. Seuss birthday, having fund-raisers for the emergency relief efforts, and providing free childcare for the annual town school meetings. The NHS is advised by Mrs. Claire Molner.

Upward Bound

Rutland area high school students are building a relationship with Castleton State College as they participate in Upward Bound, a program funded by a federal grant that offers a challenging pre-college experience to high school students with high academic potential. The goal of Upward Bound is to help students generate the skills and motivation to succeed in high school and then in college. Students meet regularly during the school year and then participate in a six-week, summer residential program at CSC.

German American Partnership Program 2005

This year's GAPP exchange (German American Partnership Program) was a huge success and an amazing experience overall. The group consisted of current seniors Jill Corbo, Brad Gordon, Kyle Greene, Michelle Haley, Topher Hunt, Stacey McCullough, Ben Stein, and Jared Weiss and current juniors Bobbie Denko, Ali Flewelling, Alex James, and Ashley McCullough. Frau Burke, Proctor's German teacher, led the group; they were accompanied by good-natured Mr. Bloodworth (who speaks no German) and his video camera.

The students' first two weeks in Germany were spent in and around the historic city of Weimar, Thuringia. Here students lived with their host families, attended school, and toured nearby historic places and attractions. Among the excursions were a trip to the Wartburg Castle, Buchenwald, and the Schillerhaus; the students also saw a German version of Shakespeare's "A Midsummer Night's Dream" in Weimar's National Theatre. On weekends many students went on trips to nearby cities with their host families.

After two weeks in Weimar, the GAPP group took a five-hour train ride to München where they spent the remaining few days of the trip. While in the area they toured attractions like the castle Neuschwanstein, the Olympic Stadium, the Marienplatz Glockenspiel, the city of Salzburg, Austria, and the Mirabell Gardens. The GAPPies shared some unforgettable experiences during their three weeks in Germany (and a few hours in Austria). In October 2005, the GAPP students' German hosts came to Proctor to visit the American students for three weeks.

WINTER CARNIVAL

Hat Day

Pajama/Uniform Day

The week of Winter Carnival was full of hats and pajamas and twins, but the biggest memory of this year would have to have been the FOOD DRIVE. Juniors and seniors both attempted to maximize their point potential with food donations. Seniors with senior privileges made repeated trips to local stores and juniors, with a teacher in their corner, attempted to match them can for can. In the end almost 1000 cans were collected and the seniors out-canned the juniors. Hey juniors-- don't forget to pay Mrs. Sherman back!!! The real winner of this event was the Proctor Pittsford Food Bank.

Students were bummed heading into Winter Carnival Day knowing there were no ice games and no snow. Luckily orange relay races and other events were brought in to save the day. The day offered everything in the way of weather: rain, wind, and snow cut the outdoor games short but it didn't get in the way of the competition or the fun. Limbo, medicine ball toss, and Crack Attack (a highly addictive computer game) were added to the mix this year, and floor hockey made a triumphant return.

Maroon & White Day

Twin & Clash Day

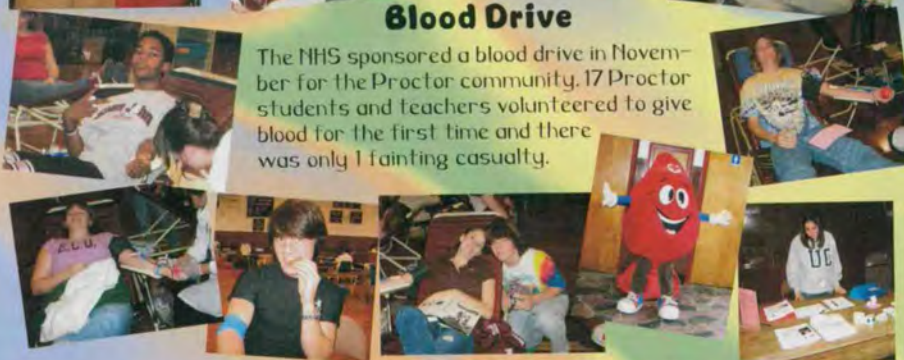

Blood Drive

The NHS sponsored a blood drive in November for the Proctor community. 17 Proctor students and teachers volunteered to give blood for the first time and there was only 1 fainting casualty.

National Honor Society Induction Ceremony

New members were inducted to the National Honor Society on January 11, 2006. Our new superintendent, Karen White, was the keynote speaker. The ceremony opened with some selections by our Jazz Band, and a reception was held in the library in honor of the new inductees. New inductees include Ali Flewelling, Michelle Haley, Topher Hunt, and Amy Smith.

Halloween Parade

Theme: Sergeant Pepper's Lonely Hearts Club Band
We had AMAZING costumes and an AMAZING float.
Maybe that's why we received runner up for 'Best Costume'!

Physics Students Learn by Doing

Students entered the Norwich University bridge building contest where they had to build bridges using only popsicle sticks, Elmer's glue, toothpicks, and dental floss. They were up against some stiff competition.

Students dropped eggs from the top of the school in handcrafted contraptions with size and weight restrictions. All the eggs made it safely to the ground except for one.

Night of Stars: Curriculum Night & Open House

The community was treated to a display of student projects and demonstrations at our 3rd annual Curriculum Night & Open House. People were invited to fold origami boxes and work with clay. Members of the Rock Band treated people to a concert in the cafeteria while they dined on pasta to support a local family in need. Over \$600 was raised.

Fall Festival

There is something for everyone at the Community Fall Festival: food, fun, crafts and even a little music by our very own Mr. Audent and his band. The senior class invited people to play cow plop bingo, the junior class tempted people to buy entertainment books, and the middle school sold Phantom buttons. The weather was perfect and all in all it was a great way to spend a Saturday with family and friends.

Mock Trial

Students in Mr. Mott's 9th Grade Civics Class participated in a mock trial complete with judge and jury.

Dancers Bring Out the Hip Hop in All of Us

A talented group of Hip Hop dancers from the world of "Breakdancing", "Locking", and "Popping" performed for PHS in an assembly sponsored by the Academic Boosters. They wowed the audience with their energy and talent and by the end of the official show, everyone was into it. That's when the real fun started... everyone gathered around and, one at a time, both amateurs and professionals took the floor to show off their moves.

German Students Visit Proctor

Proctor students were reunited with their GAPP partners from Weimar, Germany in October for a 2 week visit. In between soccer games and hanging out with the Proctor crowd, they visited the Vermont Teddy Bear factory, Fort Ticonderoga, and the Shelburne Museum. They baked apple pies, carved pumpkins, had a costume party and went trick-or-treating for the first time in their lives.

Katrina Relief Bake Sale

SURFERS and Peer Leaders combined efforts to raise \$\$ to support the victims of the Katrina hurricane. With matching donations from both Walmart and Citizens Bank, almost \$1,700 was raised!

Saying Goodbye...

"I learned that things change, people change, and it doesn't mean you forget the past or try to cover it up. It simply means that you move on, and treasure the memories." ~ Unknown

And in the words of one of our students...
"Bernritter is the man
When you think that you can't
She'll make you think like you can
She's the coolest of cool..."

Ms. Bernritter-

You've left a hole that no one will ever fill.
Thanks for the memories. We love you!

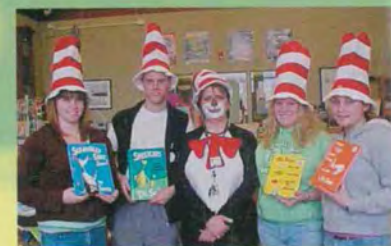

Ghost Out Day

2 out of every 5 Americans are involved in alcohol related car crashes at some time in their lives. In 2003, 17,013 people lost their lives. In VT, 53% of fatal teen crashes were alcohol related. To help students understand the impact of these statistics, peer leaders organized a Ghost Out Day during Red Ribbon week. The students pictured above were systematically removed from class, each returning with a white face signifying an alcohol related death. Upon returning to class these students were no longer able to communicate with their peers for the remainder of the day.

Read Across America Day

Members of the Honor Society visited the elementary school on Dr. Seuss' birthday to read Dr. Seuss books.

One Act Play: "THIS IS A TEST"

Phantom Theatre performed before the Proctor community in preparation for the One Act Festival held at OV this year. Alex Horner, the lead character in the show, was very believable as he portrayed a young man unable to focus on taking a nightmare test. He and the rest of the cast kept the audience laughing. Topher Hunt showed his wild side on stage as he donned a wig and played the part of Alex's mother at one point during the show!

The team was riddled by injuries throughout the season. However, they always responded and came back victorious. Highlights of the season include defeating West Rutland and breaking their 16-game winning streak, winning the last regular season home game for the seniors, and winning our home playdown game vs. Canaan. The team will miss graduating seniors Derek Blow, Brad Gordon, Kyle Greene, Gary Pelkey, Ben Stein, and Kyle Thornton. The boys were coached by Ray Fish and Chris Stevens.

The team will miss graduating seniors Jill Corbo, Jenna Coughenour, Kristen Evans, and Stacey McCullough. The girls were coached this season by Sarah Fortier and Liz Bride.

When life begins, we all travel down a road of choices. There are sidestreets on this road, some of them dead ends. Some choose to stay on the main road, while others choose to explore the road less travelled. Some roads become so perilous, that it's hard to find your way back to the safety of the main road. Regardless, we all have to find our directions for ourselves. Lana ventured onto the dangerous roads and soon found herself lost. But she had the courage to get herself through the hard times and make her way back to safety. We are all so proud of you and know that you will always be able to find your own path. No matter what you do, we'll always be proud of you, and we'll always be there for you.

Love,
Mom, Dennis, and Greg

We knew you could do it even though others said you never would. We knew with that little extra push you could do it. We are very proud of you. And Gram and Gramp would be too. With All Our Love,

Front Row: Topher Hunt, Liz Sander, Asa Metcalfe

Taking a much-needed break from selling ads to eat pizza and share the best stories of the day.

Best story goes to: Stacey and Kristin who charmed a business owner into changing his quarter-page ad to a full-page color ad. They even convinced him to buy a yearbook so that he could see how good his ad looked in print!!

Trying to keep the theme a secret and designing behind locked doors...

"knock knock" - "who's there?"

Testing out a potential theme idea which didn't make the final cut... a 3D book, complete with its own pair of cool 3D glasses.... maybe next year?!?!

Another late night that will go down in history... A night where we got LOTS of work done, snacked on pretzels and M&Ms, laughed and laughed and laughed some more, had a scare or two (what late night at PHS is complete without them?), and had tons of fun at each other's expense!

HURRICANES HIT HOME

RITA
September 22, 2005

WILMA
October 24, 2005

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.

- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

RIISING FROM THE STORMS

◀ Louisiana Governor Kathleen Blanco, President Bush and New Orleans Mayor Ray Nagin survey the damage in New Orleans.

▶ Many animals left behind during evacuation are rescued and given shelter or reunited with their owners.

▶ Homes across the country are opened to families left homeless in the wake of Hurricane Katrina.

▶ Thousands of volunteers help Habitat for Humanity rebuild homes in Louisiana, Mississippi and Alabama.

▶ Three months after Katrina strikes, the first New Orleans public school reopens on November 28.
